You like what we’re doing!

Almost 70% of residents are very satisfied or satisfied with Council’s overall performance and awarded Council an overall satisfaction score of 3.8/5.

You gave Council’s customer service staff a very high 4.2/5 for satisfaction noting their courteous and helpful manner.

You’re really like our community events and think the Campbelltown Arts Centre and our 4 public libraries are performing very highly.

We’re hitting the mark on delivering services and facilities for your basic needs including things like waste removal and city cleanliness.

But we can always do better

You would like more opportunities to engage with Council on issues that are important to you.

You would like us to crack down on rubbish dumping.

You would like us to continue protecting the environment and focus on sustainability.

We will continue work on keeping our city beautiful.

We value your input

Have your say: Council is seeking your feedback all the time on a huge range of issues including your input on community facilities, development proposals and citywide strategies. Follow us on Facebook, our website or in the local newspapers to have your say.

Speak to our friendly staff: Let our Customer Service Team help you with questions or any issues you need to discuss. You can find us in the Civic Centre, on the phone 02 4645 4000, or lodge a query online.
