Campbelltown Sportsground, Leumeah
Council has received a development application from Campbelltown City Council for the use of Campbelltown Sportsground, 12 Old Leumeah Rd, Leumeah.

The application has been accompanied by an Environmental Impact Statement.

As the proposed waste management is classified as designated development, this proposal will be determined by the Sydney Western City Planning Panel. Further information on the Sydney Western City Planning Panel can be obtained from the website www.planningpanels.nsw.gov.au

The application and accompanying documents (including the Environmental Impact Statement) may be inspected at the ground floor of Council’s Civic Centre during Council’s ordinary office hours and at the HJ Daley Library, Hurley St, Campbelltown. The application can also be inspected at the offices of the NSW Department of Planning, Industry and Environment and the offices of the Sydney Western City Planning Panel.

Information can also be viewed at www.campbelltown.nsw.gov.au/developmentonline

If you would like to comment on the proposal, please make a submission to Council by close of business on Thursday 19 September 2019, quoting file number 2117/2019/DA-DE.

Any submission made should be addressed to the General Manager and include your name, address, your daytime telephone number, the name of the application and a statement outlining the points you wish to make in your submission.

Any submission made to Council regarding the proposal can be made accessible to the public under the provisions of the Government Information Public Access Act 2009.

Submissions can be faxed, posted, delivered in person at Campbelltown Civic Centre, or emailed to council@campbelltown.nsw.gov.au

Unless the proposed development is development about which the Independent Planning Commission has conducted a public hearing, any person who makes a submission by way of objection, and who is dissatisfied with the determination of the consent authority to grant development consent, may appeal to the Land and Environment Court. If the Independent Planning Commission conducts a public hearing, the Commission’s determination of the application is final and not subject to appeal.

Enquiries: 02 4645 4608

Pt Lot 104 Hepher Rd, Campbelltown
Council has received a development application from Campbelltown City Council for the proposed construction and operation of a waste management facility in the form of a community recycling centre at Pt Lot 104 Hepher Rd, Campbelltown.

The application is classified as ‘Designated Development’ under the Environmental Planning and Assessment Regulation 2000, as the facility would receive substances classified in the Australian Dangerous Goods Code, would be located within 100 metres of a natural waterbody and within 500 metres of a residential zone. The application has been accompanied by an Environmental Impact Statement.

As the proposed waste management is classified as designated development, this proposal will be determined by the Sydney Western City Planning Panel. Further information on the Sydney Western City Planning Panel can be obtained from the website www.planningpanels.nsw.gov.au

The application and accompanying documents (including the Environmental Impact Statement) may be inspected at the ground floor of Council’s Civic Centre during Council’s ordinary office hours and at the HJ Daley Library, Hurley St, Campbelltown. The application can also be inspected at the offices of the NSW Department of Planning, Industry and Environment and the offices of the Sydney Western City Planning Panel.
