Dear Aaron,

Congratulations to you and everyone at Council for the fantastic up-grade of Campbelltown Sports Stadium.

Sports plays such a vital role in the vibrancy of our area and to feel the excitement, pride and positiveness of all attending the Stadium re-opening game was certainly very special.

The facility can now justify being called a Stadium and I am very confident that the venue will have many high quality sporting events and produce many local champions like Skando and Brett Hodgson.

Your Council are to be congratulated for their on-going commitment to provide sporting facilities to the local community. We also greatly appreciate the opportunity for Nick, Michael and I to attend the opening ceremony.

WELL DONE!!

Many Thanks

Dear Mr Tosi,

On behalf of the Campbelltown Seniors Issues Group I would like to thank Campbelltown City Council for the local Seniors Week celebrations held across March 2010.

Council's three seniors concerts, the Talkin' about our Generation event, Art Centre activities and program of events are all appreciated and enjoyed by many local seniors and Council is to be commended on their generosity to senior residents in Campbelltown.

Campbelltown's seniors have enjoyed many years of Council support for Seniors Week and we look forward to what is on offer in 2011.

Yours sincerely,

Judith Trimboli
