

15. NOTICE OF MOTION

15.1 Government Jobs in Western Sydney

Councillor Borg has given Notice in writing of his intention to move the following Motion at the next meeting of Council on 8 April 2014.

- i. That as employment and job creation is a major issue for the community of Campbelltown, Council write to the Premier requesting the reasons why the Campbelltown Local Government Area was not included in the recent Government announcement decentralising government jobs and locating them in several Western Sydney locations.
- ii. That correspondence be forwarded to all Local Members in the Local Government Area, seeking their unqualified support for Councils position that the NSW Government should immediately consider the relocation of a Government Department to the City of Campbelltown.

Council Meeting 8 April 2014 (Borg/Brticevic)

That the Recommendation be adopted.

Amendment (Rowell/Mead)

- i. That a report be prepared by Council staff identifying suitable locations that could be considered as appropriate to accommodate a Government Department relocation.
- ii. That once a location has been identified as being suitable that Council write to the Premier informing the Government that Campbelltown City Council is seeking favourable consideration in any future Government Department relocations.

LOST

Amendment (Hawker/Mead)

- i. That as employment and job creation is a major issue for the community of Campbelltown, Council write to the Premier requesting the reasons why the Campbelltown Local Government Area was not included in the recent Government announcement decentralising government jobs and locating them in several Western Sydney locations.
- ii. That correspondence be forwarded to all Local Members in the Local Government Area, seeking their unqualified support for Councils position that the NSW Government should immediately consider the relocation of a Government Department to the City of Campbelltown.
- iii. That the General Manager and the Mayor make an appointment to speak with the Premier and hand deliver Council's letter and outline what benefits Macarthur has to offer the Government in regard to relocation of Government offices.

LOST

Council Resolution Minute Number 52

- i. That as employment and job creation is a major issue for the community of Campbelltown, Council write to the Premier requesting the reasons why the Campbelltown Local Government Area was not included in the recent Government announcement decentralising government jobs and locating them in several Western Sydney locations.
- ii. That correspondence be forwarded to all Local Members in the Local Government Area, seeking their unqualified support for Councils position that the NSW Government should immediately consider the relocation of a Government Department to the City of Campbelltown.
