

Status of the Campbelltown Heritage Study

Heritage Study (HS)

The HS was adopted by Council (as a draft) at its meeting on 12 April 2011. Full adoption will be subject to further consultation with affected land owners at a future time.

The HS made numerous recommendations, some of which are of direct relevance to the preparation of Draft CLEP 2014.

Due to timing, a decision was made to only list existing heritage items in Draft CLEP 2014 (which at the time was known as Draft CLEP 2013). New items and changes to existing items (as identified in the HR) will be added to the LEP via a future amendment, subject to further consultation with the affected land owners, and where required, with other government departments and agencies.
