### **5.1 Clients of Professional Suites in Warby St Campbelltown**

---

Forwarding a petition containing 106 signatures lodging their objection to the 'No Parking 5.00am to 12.00pm Monday to Friday' restriction located across the entire road frontage of the block of units at 17 Warby Street Campbelltown. The petitioners advise that this restriction is disadvantageous to disabled people who are unable to walk any distance to enter the professional suites located adjacent to this property.

(Comment: The Director City Works has advised that his staff are aware of the issues raised in the petition and are currently working towards a solution with the petitioners. The restrictions were put in place to ensure access for garbage collection services, however, it is now being suggested that the parking restriction times may be able to be adjusted to 5.00am to 9.00am Monday to Friday.

A copy of this petition has been distributed to all Councillors under separate cover.)

Forwarding a petition containing 87 signatures expressing concern at the increase in noise generated from the installation of the new railway lines mounted on concrete sleepers, laid between Macquarie Fields Station towards Ingleburn. The petitioners advise that their homes are in close proximity to the railway lines and that the noise is detrimental to their health and standard of living. The petitioners ask that Council make representations on their behalf to Rail Corp seeking the installation of noise barriers.
