Dear Sir,

Re: State Emergency Service Assistance, following the storm at Bermagui.

On behalf of the Montreal Goldfield Management Committee, Bermagui, I would like to sincerely thank the S.E.S volunteers from Campbelltown who arrived at the goldfield, cleared fallen debris and made trees safe for us on the site.

Unfortunately, I do not have an order number nor the names of the men who were there, but their prompt response, the extremely pleasant and efficient manner they went about the task and the high level of professionalism they displayed gave our group the assurance they needed.

The Montreal Goldfield is a not-for-profit community project run by volunteer retirees, who were extremely daunted by the havoc that confronted them after the storm. The assistance given by the Campbelltown crew has been invaluable and the Committee can now see its way clear towards opening this heritage site for public access once more.

Kind Regards,

Cherie Chen,  
Secretary,  
Montreal Goldfield Management Committee
