

13. QUESTIONS WITHOUT NOTICE

13.1 Questions Without Notice

1. Councillor Rowell referred to the proposed development application for a 9-10 storey building in Macarthur Gardens - Glen Alpine and asked if Councillors could be provided with any information regarding this development. Councillor Rowell also asked the Director Planning and Environment if a development application has been received for this item.

The Director Planning and Environment advised that at this stage preliminary and informal discussions had been held with staff however a development application has not been received for this proposed development.

2. Councillor Matheson asked the Director City Works if there has been any information provided to Council regarding the completion of the merge lane from Campbelltown northbound onroad ramp onto the F5 Freeway in the vicinity of Raby Road.

The Director City Works advised that he will investigate the matter and will respond to Councillors by way of a memo.

3. Councillor Hawker referred to the initiative in place in Manly where Rangers are patrolling the surrounding areas on bicycles and asked the General Manager that in view of Councils wish to become a Sustainable City if this initiative is feasible for Campbelltown's Rangers.

The General Manager advised Councillor Hawker that he will investigate the initiative.
