Dear Sir

Intersection of Ohlfsen Road and Minto Road, Minto and Eagleview Road and Collins Promenade, Minto

Concerns have been raised with Council by several local residents regarding the safety of the intersection of Ohlfsen Road and Minto Road and Eagleview Road and Collins Promenade, Minto.

Regarding the intersection of Eagleview Road and Collins Promenade it is noted that Blackspot funding was granted several years ago however works did not progress due to the presence of a watermain and lack of funding for its relocation.

It would be appreciated if a review of these intersections could be undertaken to improve safety for local residents at these locations.

Council looks forward to the Roads and Maritime Services advice on proposed safety measures to be undertaken.

If you require any further information please contact the Acting Manager Technical Services, Kevin Lynch, on 4645 4633.

Yours sincerely

John E Hely
