13.1 Questions Without Notice

1. Councillor Brticevic noted that a number of maintenance issues at Blair Athol Community Hall have been brought to his attention and asked the Director City Works if he could have them attended to.

Council's Director City Works advised that he would arrange for an inspection to be undertaken and the necessary works to be carried out.

2. Councillor Chanthivong referred to his previous requests resulting from inquiries from local residents for Council to investigate the feasibility of installing a roundabout at the intersection of Guernsey Avenue and Jenner Street, Leumeah and asked if he could be advised as to the current status of this request.

Council's Director City Works advised that he would investigate this matter and provide the information by way of memo.

3. Councillor Hawker referred to an article in the local government section of the Sydney Morning Herald where it noted that a tender is being advertised for testing services for drug and alcohol related issues in the workplace. Councillor Hawker asked the General Manager if Campbelltown City Council was pursuing this avenue.

Council's General Manager advised that Council would not be seeking the services of an external provider in regard to drug and alcohol testing in the workplace and that Council has successfully implemented appropriate practices that are used as and when required.

4. Councillor Hawker referred to a wellbeing survey template and asked if Council currently pursues similar initiatives for its staff.

Council's General Manager advised that Council currently holds annual health week promotions for both the indoor and outdoor staff. Council's General Manager also advised that he would refer the template to the appropriate section.
