Cr. Paul Lake
Mayor of the City of Campbelltown

Dear Mayor Lake:

I am glad to hear that things are going well for you.

Regarding our visit to Campbelltown for the celebration of the 30th anniversary of sister-city affiliation between Campbelltown and Koshigaya, I would like to express my gratitude to all the people including you, all the councilors, General Manager Paul Tosi and all the staff of Campbelltown City Council for the warm welcome.

During my stay in Campbelltown, I had opportunities to attend the ceremony for the 30th anniversary of sister-city, the Fisher's Ghost parade themed on Japanese culture and the Art Award held at Campbelltown Arts Center. I will never forget such experiences and the hospitality of all people through my life.

I am confident that this revisit to Campbelltown deepened the friendship between both cities. I would like to contribute to develop the sister-city exchange more than ever.

I hope to see you and all the people of Campbelltown again. Thank you very much.

Yours Sincerely,

Tsutomu Takahashi

Dear Mr Tosi

On behalf of the University of Western Sydney (UWS), I'd like to share with you the results of the generous gifts from our alumni, friends and donors. These donations have enriched the student experience through the funding of projects, scholarships, prizes and other activities contained in this report.

We are proud to share that \$2.2 million in gifts was received from a record number of donors including individuals, corporate organisations, not for profits, government and staff, students and alumni. In 2013 we also received donations from more than 500 first time donors.

I am grateful for the generosity and confidence that so many supporters have shown UWS. It is a privilege for me to be leading the University's Advancement and Alumni office and I look forward to working closely with you to ensure that the University continues to strengthen its impact locally and internationally.

UWS has been named one of the world's top 400 universities, with the release of the prestigious Times Higher Education (THE) World University Rankings for 2014-2015. These rankings are a testament to the strength of the University's research and the quality of its teaching. It is also a great complement to the announcement earlier this year that UWS is also ranked in the top 100 universities in the world under 50 years of age.

Education is one of the most effective ways of empowering individuals. I hope you enjoy reading about the difference our donors and supporters have made to UWS.

Yours sincerely

Mr Paul Tosi

Campbelltown City Council

CAMPBELLTOWN NSW 2560

Dear Paul

Please accept my thanks for your hospitality and that of the Councillors when I attended the recent Art Awards evening and Fisher's Ghost celebrations in Campbelltown. I enjoyed the weekend immensely as, in fact, has been the case for many years past.

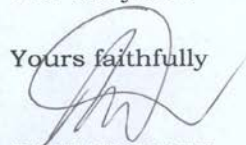

I was pleased to be present for part of the celebrations to mark 30 years of Sister City Relationship between Campbelltown and Koshigaya. I do hope members of the delegation enjoyed themselves and all went well.

As you are aware I lived in Campbelltown during the 1980s and early 1990s and am amazed at how the city has grown and changed. The Council is to be commended on the positive impact it has had over these years. It is a pleasure to visit your well serviced, clean and remarkably tidy city.

Coonamble values the Sister City status it embraces with Campbelltown and looks forward to your representatives' presence at the rodeo weekend in June 2015.

Again, to you Paul, thank you for your thoughtfulness and generosity over the years

Yours faithfully

RICK WARREN
General Manager
