4.1 State Election Results

The recent State election saw some changes in the local representation for Campbelltown City, and I would like to use this Mayoral Minute as an opportunity to thank two of our former Members of Parliament – Dr Andrew McDonald and Bryan Doyle.

Andrew was first elected as the Member for Macquarie Fields in 2007. During the next eight years, he held a number of other positions including Shadow Minister for Medical Research, Shadow Minister for Health, Parliamentary Secretary Assisting the Minister for Health and Shadow Minister for Liquor Regulation. He also continued to work one day a week as a paediatrician.

Bryan Doyle was elected as the Member for Campbelltown in 2011, and went on to hold the positions of Deputy Chair, then Chair, of the Legal Affairs Committee, as well as Deputy Chair, Select Committee on the Motor Vehicle Industry.

Both Andrew and Bryan are fine examples of Campbelltown citizens. They took their positions in Parliament very seriously, and always had the highest regard for the residents they represented.

Their hard work and commitment to the local area was second to none, and their efforts have certainly helped steer the city towards its regional city centre status. I wish them all the best in their future endeavours.

I also take this opportunity to congratulate Councillor Anoulack Chanthivong on his recent success in the State election. I know Councillor Chanthivong shares my great love of our city, and I look forward to working closely with him in his new capacity as Member for Macquarie Fields, as well as Greg Warren as the new Member for Campbelltown.
