Dear Lindy

I refer to your letter dated 28 July 2015 concerning Council's request for noise barriers between Gordon Avenue and James Street, Ingleburn.

I strongly support Council's motion and have written to the Minister seeking his investigation and advice.

When I am in receipt of the Minister's advice I will write again.

Yours sincerely,

Dear Mr Chanthivong

Noise Barrier Request - Ingleburn

Council at its meeting of 21 July 2015 considered a petition from local residents requesting the installation of a noise barrier adjacent to the southern rail line at Ingleburn. Many of the petitioners are long term residents of this area and noted that newer suburbs in the area have been provided with noise barriers prior to the construction of homes. At Council's meeting of 21 July 2015 it was resolved as follows:

1. *That Council write to the appropriate Minister and Department requesting the urgent installation of a noise barrier at the railway line between Gordon Avenue and James Street, Ingleburn.*
2. *That Council writes to the Local Member requesting his support for the matter.*

Accordingly, Council requests your support for the installation of a noise barrier at the above location.

For your information, Council has also written to the Minister for Transport and Infrastructure to have the matter investigated and hopefully actioned.

If you require any further information please contact the Director City Works, Wayne Rylands, on 4645 4636.

Yours sincerely
