Sport&Recreation	1.34	Plan and partner with peak organisations for the delivery of additional indoor sport facilities and outdoor sporting fields to meet community needs.	Ongoing	No Change
Child Care	1.35	Support the provision of appropriate levels of child care facilities available in the LGA to meet population growth.	Ongoing	No Change
Health	1.36	Continue to actively participate in the City Deal Health Alliance and drive regional collaboration to improve health outcomes and healthy environments across the Western Parkland City.	Ongoing	No Change
Education	1.37	Continue to actively participate in the City Deal Education Partnership as the local government lead to ensure effective and innovative education solutions and partnerships for the Western Parkland City.	Ongoing	No Change
Local Character	1.38	Identify locations for the preparation of local character statements.	Ongoing	New Action
Housing	2.1	Develop a comprehensive Local Housing Strategy for the Campbelltown LGA that identifies and prioritises the areas for growth having regard to housing demand, growth trends, and the existing and likely future housing stock.	Short Term	Comments received - No Change
Housing	2.2	Use the Local Housing Strategy to provide the evidence base for Campbelltown City's 10 and 20 year housing targets and dwelling mix, and to determine infrastructure capacity constraints and potential sequencing of housing delivery across the Campbelltown LGA.	Short Term	No Change
Housing	2.3	Determine principles for a Local Affordable Housing Strategy considering need, current supply, and other shortfalls in various housing types and tenures and, if relevant in Council's housing strategy, preferred locations where new affordable housing initiatives will be encouraged.	Short Term	No Change
Growth Management	2.4	Support the NSW Government in the implementation of the State Infrastructure Contributions Levies for the planned precincts.	Ongoing	New Action
Growth Management	2.5	Contain urban development to existing urban areas and within identified growth and urban investigation areas, in order to protect the functions and values of scenic lands, environmentally sensitive lands and the Metropolitan Rural Area.	Ongoing	New Action
Housing	2.6	Continue to work with the NSW Land and Housing Corporation to support the renewal of social housing within the LGA, consistent with the Communities Plus Program.	Ongoing	New Action
Growth Management	2.7	Develop urban design principles and standards to guide new subdivisions, development and redevelopment.	Ongoing	Comments received - No Change
Growth Management	2.8	Work with the NSW Government to refine and implement Greater Macarthur 2040 to achieve required growth and respect local needs and priorities, and the environmental context.	Ongoing	No Change
Growth Management	2.9	Work with the NSW Government to facilitate the strategic rezoning of land and the provision of associated infrastructure for identified urban growth and renewal areas, including identification of appropriate staging and alignment of infrastructure provision with anticipated growth.	Ongoing	No Change
Growth Management	2.10	Collaborate with Government to explore the possibility of re-establishing a Metropolitan Development Program to assist in aligning growth and infrastructure.	Ongoing	New Action
Housing	2.11	Complete and adopt Council's Health Impact Assessment in collaboration with SWSLHD with regard to developing health based criteria for locating high density housing.	Ongoing	No Change
Housing	2.12	Promote housing diversity through local planning controls and initiatives.	Ongoing	No Change
Transport&Connectivity	2.13	Plan and implement infrastructure that improves community access to key service centres, recreation and employment nodes.	Ongoing	No Change
Master Planning	2.14	Prepare master plans for the town centres identified within the Glenfield to Macarthur Urban Renewal Corridor that incorporate opportunities for in-centre living.	Ongoing	Comments received - No Change
CBD	2.15	Develop and adopt the <i>Reimagining Campbelltown CBD</i> Phase 2 master plan for the Campbelltown City Centre.	Ongoing	No Change
Master Planning	2.16	Continue master planning of key public spaces to promote healthy and aesthetic urban design outcomes, to support the health and wellbeing of all members of the community.	Ongoing	No Change
Place&Design	2.17	Support the health and wellbeing of the community through healthy urban design for all members of the community.	Short Term	No Change
Growth Management	2.18	Ensure that sufficient, quality and accessible open space is provided for new urban areas.	Ongoing	Comments received - No Change
Growth Management	2.19	Ensure that quality embellishment for passive and active recreation is provided to new and existing open space to service new residential development and redevelopment of existing urban areas.	Ongoing	Comments received - No Change
Open Space	2.20	Ensure open space is provided where it will experience maximum usage by residents, with maximum frontage to public streets and minimal impediments.	Ongoing	Comments received - No Change
Social	2.21	Develop and implement a Social Strategy to chart a path forward for Council and the community sector to deliver stronger positive and equitable social outcomes and consider the land use implications of these in terms of service and housing provision.	Ongoing	No Change
Arts	2.22	Encourage arts to be used as a mechanism of linking and integrating new communities, including new migrant communities, and connecting them to the Campbelltown City Centre.	Ongoing	No Change
Aboriginal Culture&Recognition	3.1	Work with the Local Aboriginal Land Council, the Aboriginal and Torres Strait Islander community and relevant State Government Agencies to identify and protect Aboriginal heritage, culture and heritage assets.	Short Term	No Change

Key Words	Action No.	Action	Timeframe (Short Term, Medium Term, Long Term, and also note if the action is on-going or not)	Comments
Heritage	3.2	Review Council's non-Indigenous Heritage Study to identify and conserve important heritage and implement any recommendations of the revised Heritage Study including updates to the LEP.	Ongoing	No Change
Heritage	3.3	Review Council's Local Heritage Fund and seek alternative grant funding to support the scheme.	Ongoing	No Change
Heritage	3.4	Engage the services of a Heritage Planner to assist in managing Campbelltown LGA's heritage assets.	Short Term	Comments received - Action delete as there is currently no financial commitment for this position.
Aboriginal Culture&Recognition	3.5	Adopt and implement an Aboriginal Interpretation Strategy to reflect Aboriginal culture in the built environment and through programs and services that celebrate and nurture culture.	Short Term	Comments received - No Change
Heritage	3.6	Identify and promote the conservation of environmental heritage and sensitive environmental areas including the Georges River Corridor Landscape, Scenic Hills and Wedderburn.	Ongoing	No Change
Growth Management	3.7	Manage development outcomes having appropriate regard to environmental and heritage considerations.	Ongoing	No Change
Heritage	3.8	Work in partnership with Government to protect important heritage sites.	Ongoing	Comments received - No Change
Heritage	3.9	Consider opportunities for improved heritage asset management and the conservation and management of all heritage within the LGA.	Ongoing	No Change
Social	3.10	Develop and implement a Social Strategy to chart a path forward for Council and the community sector that celebrates and builds on the strength of our communities.	Ongoing	No Change
Place&Activation	3.11	Based on the City Identity Project, develop an interpretation and way-finding strategy led by the creative community to reveal alternate identities of the city and stories of our people and places.	Ongoing	No Change
Health	3.12	Promote healthy food destinations that support place making, encourage healthy lifestyles and promote cultural identity.	Short Term	No Change
Arts	4.1	Deliver and implement a master plan to expand Campbelltown Arts Centre to ensure it continues to be a leading source of artistic production and creativity for Campbelltown City, the Macarthur Region, the District, Greater Sydney and beyond.	Short Term	No Change
Events&Activation	4.2	Ensure land use zones and planning controls enable the use of public spaces for civic and cultural events.	Short Term	No Change
Open Space	4.3	Construct the Billabong Recreation Facility at Apex Park to provide the community with access to water in an urban environment.	Short Term	No Change
Arts&Culture	4.4	Develop a Cultural Plan and Public Art Strategy that celebrate the city's cultural diversity and enhance the role culture plays in delivering cultural, social and economic benefits to our community.	Ongoing	No Change
Aboriginal Culture&Recognition	4.5	Implement Council's Aboriginal Interpretation Strategy and Reconciliation Action Plan in relation to reflecting Aboriginal culture in the built environment and through programs and services that celebrate and nurture culture.	Short Term	Comments received - No Change
