3 Outcome Three: A Thriving, Attractive City	3.8 - Provide strong governance for all Council activities

#### Officer's Recommendation

1. That Council determine the method of voting for the office of Mayor.
2. That the General Manager conduct an election to be held at an Extraordinary meeting of Council on 1 September 2020 and once the result is known, the General Manager is to declare the candidate with the majority elected as Mayor for the 2020-2021 term.

#### Purpose

This report details the procedures to be followed for the election of the Mayor.

#### History

Council resolved, at its meeting on 1 July 2014, that the Mayoral election occur as an independent Extraordinary meeting in the month of September on an appropriate night each year. Since the 2014 resolution was carried, the *Local Government Act 1993* has been amended such that a Mayor elected by Councillors holds the office of Mayor for a two year term.

As a result of legislative amendments due to COVID-19, local government elections in NSW have been postponed until September 2021.

#### Report

Pursuant to section 230 of *Local Government Act 1993*, a Mayor elected by the Councillors holds the office of Mayor for two years. As the Local Government elections have been postponed until September 2021, the Mayor will therefore be elected for a one year period from September 2020 to September 2021.

The provisions of the *Local Government Act 1993* governing the election of the Mayor are contained in Schedule 7 of the Local Government (General) Regulation 2005.

The Schedule outlines that where more than one Councillor is nominated, the Council is to resolve whether the election is to proceed by open voting or by ordinary ballot or preferential ballot.

To be nominated for election to the position of Mayor, a nomination form must be completed. The nomination form must be signed by two Councillors, one of whom may be the nominee and must indicate consent of the nominee.

The completed nomination forms must be submitted to the General Manager. To assist, nomination forms have been distributed under separate cover to Councillors.

If only one candidate is nominated, the General Manager will declare the candidate elected.

If more than one nomination is received, Council will be required to resolve the method of voting, either open voting (show of hands), ordinary ballot or preferential ballot.

Once the method of voting is determined, the election will be conducted in accordance with Schedule 7 of the Local Government (General) Regulation 2005. Depending on the resolution of Council, the General Manager will provide instructions with respect to the election process.

In the event of a tied vote, that is, two or more candidates with the same number of votes, the election is determined by the draw by lot.
