Pricing Policy

Council provides a wide range of services to the community and has adopted a number of fees and charges for these services. These fees and charges have been set on the basis of the following categories:

Community Services (C)

The cost of the service is subsidised to provide for the community benefit

Economic Cost (E)

The cost of providing this service is determined divided equally by the anticipated number of users

Nominal Fee (N)

Council adopts a minimal Fee for record purposes only

Regulatory Charge (R)

Set by Government regulations

User Pays Principle (U)

Where a specific individual cost may be isolated and charged to the user of the service
