# THE MAYOR'S MESSAGE

We're bringing Las Vegas to Campbelltown for a spectacular evening of live entertainment, games and great food.

You're invited to join us at our 'Vegas Nights' themed event at the fantastic Ottimo House to raise funds for a new program from Humanity Matters that will directly support young people in Campbelltown.

Through their range of programs and services, Humanity Matters' youth workers are active on our streets working with marginalised young people to connect them with targeted caseworker support, mental health services and helping build social networks.

The new 'Feet On The Street' initiative will provide new arts and sports programs for young people in Campbelltown who Humanity Matters' youth workers connect with on our streets.

So put together your most extravagant Vegas themed outfit and join us for a fantastic evening in support of this great cause. I look forward to seeing you there.

Dr George Greiss  
Mayor of Campbelltown

## Feet on the Street

Your support of the Mayor's Charity Gala Dinner will directly contribute to Humanity Matters' Feet on the Street campaign. The program will provide arts and sports activities to highly marginalised young people encountered by youth workers across Campbelltown.

*"We go to the outskirts of communities where the most marginalised young people are. These young people are invisible to most and as such their voices go unheard and their needs unmet.*

*The longer a young person remains disconnected, the greater the level of risk and harm they get exposed to.*

*We are committed to establishing a connection with these young people as early as possible to reduce the risks of criminality, mental illness, drug addiction, homelessness, violence and abuse.*

*We're inspired every day by the kids we help. Our team are passionate about what we do and highly committed to not losing a single valuable young life," - Mary Malak, Humanity Matters CEO.*
