

Parking and Entering Campbelltown Athletics Centre

Access into the Campbelltown Athletics Centre is via Pembroke Road **ONLY**.

The map above shows where you can park and how to access Campbelltown Athletics Centre.

There are two (2) carparks that you have FREE access too. The first, is off Pembroke Road and is located at Gate C of the Venue. There is only 55 spots in this carpark and is prioritised for teachers and Event Organisers. The second is off Old Leumeah Road, to the right of Leumeah shops and parallel to Leumeah Train Station. This is a commuter carpark so spots are filled in a 'first in, best dressed' scenario. If you park in this carpark you are required to walk around the outside of the Venue to get to the Athletics Centre. A short walk up Old Leumeah Road, turning left at the lights, continuing straight till you see the entrance at Gate C (yellow line on the map).

We **DO NOT** open the pedestrian gate down near the tennis courts, this gate is permanently locked during the day. Any children that are traveling via train to get here are also required to walk around the Venue to enter through Pembroke Road (Gate C). This decision has been made for the safety of children, parents, teachers and staff on the premises.

If you have any questions or queries about this please email us on stadium@campbelltown.nsw.gov.au.

Thank you,
The Stadia Team
