Risk Assessment

Information to be added to identify the specifics of excursion/incursion eg:

Pending numbers the children will attend Phoenix Gymnastics in 2 session times. 10-12 and 12:30-2:30 based on age. Children are required to wear socks and comfortable sport clothes and take bag and drink bottle on excursion.

Identified Assessn		Risk Assessment (use matrix)	Elimination/control measures	Risk Assessment (use matrix) after elimination/control measures applied	Who	When
Travelling by 2/3 service buses.	Collision while driving	UI2	Bus mobile phone to be taken while transporting passengers. Bus first aid kit to be available on the bus to manage any injuries. Staff member with first aid to assess passengers for injury. Responsible person to communicate with emergency services or Coordinator based on the severity of incident. Responsible Person to collect other driver information including licence and registration. If the collision is not critical then once back at the service, the Responsible Person is to communicate with Risk Management all relevant information and complete identified forms.	LI1	All staff	Day of excursion

Travelling by service buses	Movement of children using service buses.	UI2	The Transportation Record is to be completed on each bus run Departure and Arrival of destination by conducting a head count of children signed into the Electronic Sign In System against physical number of children or child records for bus run. A responsible Person to be present on each bus run. Responsible Persons to be allocated a phone to ensure communication is available. If at any time the safety of the passengers is compromised (for example a child not following directions from an educator) then the bus driver will pull over and support the educator to manage the risk until it is safe to drive again.	UI1	All staff	Day of excursion
	Allocation of groups being transported by bus	UI2	An Excursion Checklist will be completed prior to leaving on excursion by Responsible Person. Utilisation list will be provided to educators by Responsible Person to identify what group children are placed in with all groups identified. 2 Educators will be allocated to 16 children when moving to service bus or based on ratios of 1:8. Children will be provided with wrist bands to support grouping. All groups will complete a head count before departing from locations and reported to Responsible Persons.	UI1	All staff	Day of excursion

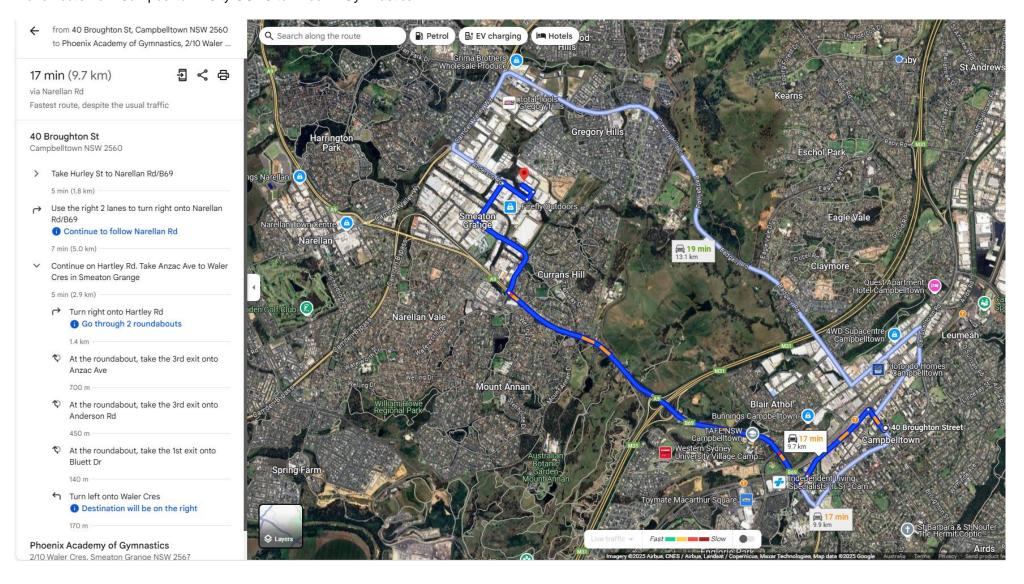

Embarking/ disembarking bus	LI2	The Transportation Attendance Record is to be completed on Departure and Arrival of destination by conducting a head count of children signed into the Electronic Sign In System against physical number of children for each bus run.	UI1	All staff	Day of excursion
		Educator to exit the bus first and remain in the front of the line.			
		Immediately after all passengers have disembarked from the vehicle, a staff member will physically walk to the back of the bus and check there are no children left on the bus (including under the seats) before locking the vehicle.			
		(Additional headcounts can be conducted when the Responsible Educator feels is necessary to ensure the safety of the children in our care).			
Children moving away	LM2	Staff to communicate with each other to make each other aware that a child has left the service/group.	UI1	All staff	Day of excursion
from staff and children		Educator to assess the direction of the child heading, observe what the child is wearing and make a judgement call if to follow.			
		Educator to call emergency services if child is moving away from the service/group and does not seem to be returning. A second educator to contact Supervisor or Coordinator to arrange additional support if needed. Second educator to then call parent/carer to notify of child leaving the service and the current direction they are headed.			
Medical Management	LM2	At least one educator with first aid qualifications is in attendance on transport routes.	UI1	All staff	Day of excursion
during transportation of children		Child's medication and Medical Condition Plan is to be packed into the service group bag to be taken on excursion.			
		Up to date first aid kits is packed.			
		A mobile phone is to be taken.			

	Managing injuries/ trips / falls	LM2	Rules of excursion activities to be discussed by activity provider to children prior to engaging in. First aid kit to be available on the bus to manage any injuries. Staff member with first aid to assess passengers for injury. Child's Accident/Incident Report to be completed once arrived at destination.	UI1	All staff	Day of excursion
Parent engagement with Excursion group.	Parents attending to drop off or while excursion is in progress.	LI2	An Excursion Notice will be placed on the front door before the excursion departs to identify departure time, return time, and contact number. All efforts will be made by staff to contact any families absent prior to leaving. If parents cannot make the identified time on the program, children may be able to be dropped off to excursion location or attend once excursion has returned.	UI1	All staff	Day of excursion
			Venue Specific Information			
	Heat/physical Exhaustion		Water available, encourage regular breaks. Water esky to be brought by staff for children to access.	UI1	All staff	Day of excursion
	Falling over or off equipment – strains, sprains, breaks	LI2	Follow safety rules and guidelines of venue of how many children on the equipment at the same time. Staff members to support the activities being completed by children to boost and support venue staff. Where identified, one child to be using the equipment at a time. Children waiting their turn should remain at a distance so as not to impede on the child having their turn. Staff to spread themselves out within the venue with one educator to stay with the bags and first aid equipment so supervision is provided to the children using this area.	UI1	All staff	Day of excursion
